OFFICE OF THE PRESIDENT

My dear Allen:

Recently, on a trip to South America, I took along a number of books that I wanted to read. Among them was one of the very best I have come across in the last few years - "Fire in the Ashes".

The more I have thought about this book the more I wanted to share it with a few friends, so I am sending you a copy under separate cover. I hope you will enjoy it.

Warmest personal regards

Cordially yours,

Robert L. Johnson
